

The discovery of a break in or incidence of vandalism can be a frustrating and stressful time. No one likes to face a planned personal attack on your personal property and belongings.

At A.L. Gullison DKI we are here for you 24/7 to assist you with cleaning up these unfortunate acts of damage whether it is a short term cleaning or board up to an immediate on-site restoration to return your home or business to its pre-loss condition. Our experts are always ready to respond immediately when your home is unsafe or unsecure.

Prompt emergency response will help alleviate the embarrassment of an act of vandalism against you and your property and limit or eliminate the long term effects of damage to your property.

Vandalism and graffiti can be very upsetting. It can range from relatively minor pranks to malicious destruction of property. Often simple acts of vandalism, like breaking a window, can cause significant water and mould damage if not addressed in a timely manner.
